#### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **OBJECTIVES AND ACTIVITIES**

#### **Charity Mission**

The charity's objects ('Objects') as set out company's memorandum and articles of association are:

The prevention or relief of poverty and to preserve and protect good health by providing food, non-food and non-alcoholic beverages to those in financial need or poor health in the Swindon and District area of Wiltshire.

The charity also has a mission:

To reduce the Impact of food poverty on people in crisis in the Swindon and district area.

The Charlty provides short term assistance in the form of emergency food parcels to anyone who faces short term difficulties through unemployment, benefit delays, low income or other financial difficulties. Clients are provided with a nutritionally balanced supply of food, sufficient for 3-5 days and should their needs persist then further assistance through the Food Collective will be available. The Charity's volunteers seek to refer clients to other support agencies through whom they can obtain longer term help.

## **ACHIEVEMENTS AND PERFORMANCE**

#### Charitable activities

During this financial year the charity comprised of a membership base, a board of seven Trustees, a Company Secretary, five part-time employed staff, and over 130 dedicated volunteers. Together, we work to provide emergency food support to individuals and families experiencing hardship across Swindon and the wider north Wiltshire area.

The charity leases a central warehouse where food is delivered, sorted, stored, and packed into emergency parcels before being distributed to 11 centres located in church halls and community spaces, where volunteers distribute the food to those people who are referred as being in need of food support and assistance. We are proud that our warehouse is one of the largest in the southwest region and helps to address the scale of the food crisis in Swindon and surrounding areas within Wiltshire. We continue to operate a small fleet of three vehicles - one electric and two carbon-fuel-based vans - to collect donations and deliver parcels to our distribution points. Each vehicle is sponsored by a local corporate supporter whose branding is displayed in return for financial contributions. We seek new vehicle sponsorship periodically once current sponsorships lapse.

#### Volunteer Support - The Heart of Our Service

Our work is entirely dependent on the goodwill, energy and commitment of our volunteers. We would like to take this opportunity to further thank them for the huge and vital support they provide to us and their local community. Our volunteers play a critical role in warehouse operations, service user support, logistics, distribution and serving as trustees. Each volunteer donates a minimum of three hours per week, with many giving far more. This commitment equates to over 21,000 hours annually - an extraordinary contribution that underpins our ability to operate and respond quickly to community needs and would equate to approximately £420,000 if salaried staff were employed.

#### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

We also continue to welcome support from corporate volunteering teams, with 11 local businesses participating during this financial year Their involvement enhances our capacity at busy times such as during Harvest and deepens community awareness of food poverty challenges.

#### Premises and Partnerships

We continue to operate from The Bible Society Warehouse. We are grateful for this long-term arrangement, with the lease now secured until at least March 2027.

Our work relies on close partnerships with supermarkets, local businesses, faith groups, schools, and community organisations that operate as referring agencies, host collection points or donate food and essential goods. While food donation volumes have slightly declined again this year - a reflection of the ongoing cost-of-living pressures - the generosity of our individual donors, corporate sponsors, and grant funders (including Swindon Borough Council and Wiltshire Council) has enabled us to purchase sufficient stock to meet demand.

With over 340 referring agencies currently registered with the charity and available to people who need support through food crisis, we hope that we are accessible to as many people as possible. However, in 2025/2026 we will review our methods of communicating on a wider basis so that those who are not aware of our service can access us when needed.

Service Provision and Community Impact

Every household referred to Swindon Food Collective receives a nutritionally balanced food parcel, along with toiletries and household cleaning products. We currently offer Top-Up Bags (TUBs) at sites with sufficient storage, providing additional items such as jams, sauces, and treats not included in the core parcel, but this additional provision is under review.

Our seasonal support programmes - including Easter, Summer, and Christmas bags - go beyond our standard provision, helping families manage additional pressures during key points in the year.

In addition to food, we also distribute hot water bottles, blankets, and essential winter provisions to help clients stay warm. These initiatives are funded through grants and donations and are deeply valued, and these will continue throughout 2025/26. We also signpost clients to partner agencies for specialist benefits advice, debt support, and help with utility bills, ensuring holistic support beyond food provision. During the year we supported pilot "bolt on" services and activities with partners agencies such as the NHS where sessions were offering Flu and Covid vaccinations, Hepatitis C checks, and health checks from the RSPCA to provide vital health support and referrals for family pets.

### Collaboration with Local Organisations

Our partnerships extend to organisations providing targeted support for vulnerable groups. We give our donated baby products to Grow Baby monthly and share surplus stock that we cannot use with Gorse Hill Community Fridge and local supported accommodation providers including The Harbour Project, The Foyer, Great Western Hotel Homeless Project, and Swindon Caring Hearts. Further, we actively support The Big Breakfast Kitchen initiative in Swindon and locally supply and deliver ingredients for the charity Bags of Taste on-line learning to cook scheme.

For clients without cooking facilities, we continue to provide "kettle food" boxes containing instant meals, soups, crackers, and other shelf-stable items requiring minimal preparation.

Our Reach in 2024-2025

During the financial year, we:

- Received 81,616 tonnes of donated stock (85 tonnes in 23/24)
- Distributed 98,400 tonnes of food and essential goods (116 tonnes in 23/24)
- Purchased 32,081 tonnes to maintain service continuity (17.5 tonnes in 23/24)
- Supported 8,670 people, of whom approximately 22.4% were children (10,350 in 23/24)

This represents a 16% decrease in demand on the previous year.

#### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

## **FINANCIAL REVIEW**

#### Reserves policy

The policy of Swindon's Food Collective is to take a risk-based approach to Reserves. Currently that equates to holding Designated Reserves equivalent to 9 months of projected - operating costs and development costs to support significant capital development projects planned for the medium to long term. Such potential projects will be reviewed by the Trustees on an ongoing basis, and more formally on an annual basis. "Designated Reserves" are unrestricted funds designated for specific projects or commitments and are held to safeguard future operations and meet unexpected costs.

In January 2025, the Board approved a new reserves policy. Reserves above the 9-months Designated Reserves level are to be moved into a Free Reserves Fund. Free Reserves are monies that are not designated and can be used for anything the charity requires. Funders often require this value to ascertain whether to grant monies to the charity following application.

#### **FUTURE PLANS**

We continue to review and adapt our plans to ensure we meet the evolving needs of our community while remaining sustainable and impactful. Collaboration with Swindon Borough Council, local authorities, and community partners will remain central to our approach.

Key Priorities for the Coming Year as part of the charity's succession and sustainability plan the board will:

- Recruit the charity's first Chief Executive to help lead the charity forward
- Recruit a new Operations Manager and Finance Manager
- Diversify the incumbent managers role to that of Strategy Manager

To enhance and strengthen our service provision the senior management team will

- Fund and expand staff and volunteer training to include First Aid, Manual Handling, Safeguarding, GDPR, Cyber Security and Mental Health First Aid (depending on role and responsibility)
- Outsource HR services
- Support the redevelopment of the St Aldhelm's distribution Centre
- Purchase additional staple food, toiletries, and kettle-food supplies as required.
- Continue the distribution of hot water bottles, blankets, kettles and slow cookers in winter months
- Improve the charity's social media and digital engagement
- Develop a long-term business plan with enhanced reporting systems
- Strengthen fundraising campaigns
- Develop further partnership working with relevant stakeholders
- Explore additional "bolt on" services that will enable people to manage their finances, improve their communications and learn new skills that enhance their own lives and their families
